

Image is everything

When it's done correctly, company profiling pays off. Saying a lot about you and your company. In fact, it's a true brand builder, reflecting your values and promoting a strong, consistent message.

When it comes to branding of company Workwear, we at Samco are the experts. Offering a complete range of value adding services and products, from our in house embroidery and heat seal transfer to a personalised man-packing service.

To discover what Samco can offer you and your company, contact us today for all the details.

Samco embroidery is quality with every stitch, using our state of the art machinery, we give you a cost effective image boosting tool that stands out in the correct ways.

Samco can offer an exact reproduction of your company logo on any garment, from Poloshirts to Hi Viz Coats to Baseball Caps.

In some places, screen printing or heat seal transfer could be the answer, we can tell you why, contact our sales office for details.
